Welcome

At Lazy Betty, our beverage program is built with the same intention and curiosity that guides our kitchen. This list is designed to celebrate both the classic and emerging producers, with an emphasis on balance, energy, and a sense of place; each selection chosen to elevate the dining experience while in harmony with Chef's tasting menu.

This book is a metaphor of our team's unified experiences, expressions, and things that we've fallen in love with. Should you desire a guide through your journey at Lazy Betty, or someone to deepen your knowledge, please reach out to the team, it would be our pleasure to assist.

We hope this collection encourages exploration, conversation, and memorable moments around the table and beyond.

Glassware + Wine Club

We pour exclusively in Josephinenhütte wine glasses for one primary reason: they make wine taste better.

Designed by master glassmaker Kurt Josef Zalto, each hand-blown glass is engineered to elevate aroma, texture, and balance with extraordinary precision. Featherlight yet remarkably expressive, these glasses are chosen to let every wine show itself at its absolute best.
